

WE NEED YOU!

Each year the proceeds from Automania go to a chosen charity. In 2008 we donated \$5000- to Toowoomba Hospice and TOMNET, 2007 we donated \$10,000 to the Qld Ambulance to purchase a diffibrulator for the local area. Previous recipients have been Giddy Goanna Child Safety, Qld Guide Dogs, Blue Care, Rural Bush Fire Brigade, Leukemia's Shave for a cure just to name a few.

Tomnet

Toowoomba Older Men's Network aims to identify and connect with isolated older men and establish peer support networks and services that improve their physical, emotional and social wellbeing and provide them with a sense of belonging. Men in the age group that they target have the highest suicide rate in Australia.

RACQ Careflight Helicopter

The average cost of a rescue is \$7000-. One in four patients are children under 12 years of age. They can respond within as little as 6 minutes to a day time rescue in Queensland. A patients chance of survival is increased by 50% if they are able to get treatment by a doctor within an hour of receiving injuries. Every hour and half they helicopter flies cost upwards of \$600-. They receive only 20% of their funding from the Government.

4X4 SHOW INFORMATION

TROPHY LIST

LEVEL 1

Best Tourer

(Mildly Modified with no greater than one size larger tyres)

Best Recreational 4x4

(Registered 4x4 with tyres up to 35 inches)

Best Comp Truck

(4x4 or Tubular Buggy, no rego requirements)

HINTS AND TIPS

Our Judges will be looking for well presented vehicles that have been turned into something special that suits your purpose. It doesn't have to be a mega dollar truck.

We have different classes so make sure your truck is in the right one to get the best result.

Vehicles should be clean and tidy, degreased and tyres shined.

Make a modifications list for the judges.

Make sure you arrive on time.

Pre register to guarantee a spot on the day.
